Subject: We're Finished Except for Yours

Dear Pat & Genny:
Ed finally finished proofreading my final copy of SOME OF THE DESCENDANTS OF JOHN CRUM & HIS WIFE, MARY C. GREENE. I plan to print the final copy either Tuesday or Wednesday. I do feel, though, that there is a void in the paper without an update on your family.

I have lots of minutes left on my cell phone for the month, so I will be glad to call for any information you might have for me. I had hoped to make this document as complete as possible. Of course, a family history/genealogy is never complete since new members are added; and with luck, we hope to get back at least 2 more generations on the Leach/Greene ancestry. It gets tougher as we go further back in time because records are often either non-existent or very hard to find.

Ed & I have sold our home here in Santa Rosa, and the buyer wants posession at close of escrow. We have to be out of here by the 16th of May, but at present the apartment we want is not available. I guess we'll have to stay at Extended Stay America in Newport Beach for awhile. We decided we liked the warmer weather, and I've been doing some jewelry design with my daughter, Pam, who lives in Newport Beach. We hope to get an apartment in Dana Point in a complex we like.

I hope to hear from one or both of you. Genny, my score was 39. We hope all is well with you both.

Betty & Ed, too

Gene Greene

Dear Mrs. Lindgren:

The Greene family seems to have been members of the oldest religious institution at Berlin, New York - The Seventh-Day Baptist Church which was organized 24 September 1780. At the first organization meeting were:

Joseph Greene
John Greene
Luke Greene

There is much history of the Berlin area and I would suggest that you address inquiries to:

Dear Sir or Madam:

I am currently working on my family history, and am interested in knowing what churches existed in the Berlin/Little Hoosick area around the late 1700's to the early/middle 1800's.
I am looking for birth, marriage, and death entries for the Greene family. I am especially interested in a Polaski Greene, born 24 April 1835, son of David and Jerusha Greene, in (I believe) Berlin, Rensselaer Co., New York.

Please let me know if there is any charges at all for obtaining the infomation above. Thank you for your time and assistance.

Dear Mr. Anderson:

I am sure you will recognize the name of the person who is writing this letter to you. In fact I should have written this letter of inquiry one or two months ago. You remember Mrs. Shirley Watson of New York City, she is the individual who has told me to contact you - regarding information of/about different persons in & about Rensselaer County. But first I had to do in-depth research in the Colony of Rhode Island first. Which even under ideal circumstances takes time ' a lot of time.'

Hence the delay.

The Greene Family of R. I. by Louise Clarke 1903, says the Joseph^4 Greene & his family which includes Phebe (Langford) Greene, went to Hoosick in 1769. And this family were Quakers.

This family were of the faith of Friends (Quakers) but they did not travel to Hoosick in 1769.

In 25 Feb 1779 Joseph Greene & his wife Phebe of Exeter (R.I.) sold land there
In 26 Feb 1779 Joseph Greene & his wife Phebe of Exeter (R.I.) sold land there

In 30 Sept 1782 Jonathan Greene & his wife Patience (Terry) of Exeter sold land there.
In 9 Feb 1779 Davis Hill & Chloe his wife of Exeter sold land in Exeter to James Greene
In 25 June 1782 James Greene & Joanna (Terry) his wife sold this land.

In the will of Benjamin Terry (wife was Joanna Pope) he names 'my daughters Patience Greene & Joanna Greene! Will dtd & probated in Exeter.

Plus the fact that the Rev. War records for & about James Greene (1757-1857) states: I served in R. I. for myself & for my father Joseph Greene he being of the gentle people called Friends.

So you can see that Joseph^4 Greene & family were NOT in Hoosick in 1769.

I would like you to try to find out all you can about Joseph^4 Green born 19 Feb 1727/28 (O.S.) in Warwick. Did he die in Rens. Co.? when? buried where? and the same for his wife-Phebe? OR ALBANY Co.?

James^5 Greene (1757-1857) find out all you can about James & of his wife Joanna (Terry). Grave stone - cemetery (located where exactly-where g.s. are ie: block-grave no.)

And any other Greene that you think might be a member of the family of Joseph^5 Greene & of his son James^5 Greene.

A copy of the will of Benjamin^{5} Greene (son of Joseph^{4}) whose wife was Mary. will is dated 4 May 1797 & probated 25 Sept 1797 but I do not have the Probate Book nor the page or pages. Get a copy for me, thanks. ? 0

I have found the marriage of Joseph^{4} Greene to Phebe Langford but no birth records for any of their children. Need the will of Joseph Greene if such is in existence. None found so far in Rhode Island. ? 0

I do have the list of these children of Joseph^{4} Greene & his wife Phebe but it is from the Greene Family of R. I. by Clarke 1903, so I can not be sure as to the accuracy of same. If you do not have access to this book, I will copy & mail this information to you, if it will help you.

Is there any newspaper articles in the 'old' newspapers of the area re: any of these Greenes. There should be a write-up for James Greene 1757-1857 because of his advanced age. Not available

I would say that probably all of the children of Joseph^{4} Greene were married in R. I. but I have not been able to locate them.

Joseph Green married 24 Oct 1751 son of John Green of Warwick to
Phebe Langford daughter of John Langford of East Greenwich

(these families were of the faith called Friends).

I am enclosing a self-addressed-stamped envelope for your answer, let me know the cost of any copies of a vital record & also the cost of postage to mail these items to me.

Would you have any idea where the births of the children of Elnathan^{6} Sweet (wife) Mehitabel (Rogers) from about 1771 to 1790 might be? Hancock (called Jericho first) ? or ?

Hancock, M
Borders St
#462

I use the facilities of the local stake house (Mormons) but that has been on hold for the last 2½ months, they suffered serious fire damage to their church mid October by arson. Hopefully they expect to reopen right after the 1st of the New Year. I get from their archives, microfilm of the vital records of an area & use this as the basis of my research but you can imagine the length of time, this can take plus first you have to find the roll of film you need. Sometimes If I feel it is important, I will get a copy of the recorded vital record from the Courthouse or town hall of that area. But you, Mr. Anderson, can help me considerable for there is a strong possibility that perhaps the Mormons as yet, have not filmed what I need.

Hoping to hear from you soon -

Thank you -

I am -

Yours very sincerely,

Dear Betty:

Your super Greene mailing arrived. It does have loads of good research results and promises to enhance sorting Greenes out. Will enclose a small check as thanks.

I am interested in your mention and emphasis on the town of Rodman. That could be helpful. My NE families on Sarah Brown Jameson line: Adams, Higgins, Brown, Greene, Rodman and Bull have to be studied together to learn where the courtships, births etc .took place. Gets complicated, since the first four are so very common-----Adams probably in CT(Canterbury); Brown, Samuel, said to have been b. CT; Higgins CT,MA and VT; Greene's RI, NY and ? Think I need to find EpHraim Bull and wife Patience Rodman where they had their family since Katherine Bull m. my Caleb Greene. The Bull finding is a new one and am about 90% sure that's correct. This may be where my Rufus is.

I will try to find some more of the Clinton Co. NY Greene's, but don't have too much more.I did find a few Weeds in Berkshire MA Quarterly. I seem to have not recorded just what I sent you. Am usually better. I do keep copies-guess I did not write a letter. Also keep a running journal of correspondence and thoughts on gen. problems.

Gentlemen:

We are doing a family research study, and we are trying to locate the death record for our great great grandmother, Alpa M. H. Buck King Morgan. She was born in 1807 in Chelsea, Vermont. She was the daughter of Daniel Buck and Content Ashley Buck.

Alpa M. H. Buck (she had dropped the King name) married David Morgan in Lawrence, Massachusetts, ca 1851-52. We believe that she was still living when her second husband died in the 1870's in Massachusetts.

According to a short biography of her son, Samuel Ashley King, she died in Dover, New Hampshire.

Alpa Morgan married John King in 1821 in Chelsea, Orange County, Vermont. They were either divorced, or she was widowed. We suspect a divorce or separation with the subsequent death of her first husband in the early 1850's. This would tie in with her second marriage date.

I have enclosed my check for $3 and a self-addressed, stamped envelope for your use.

Sincerely yours,

Betty Leach

Dear Sir or Madam:

We are doing a family research study, but we are unable to find out where my husband's great grandfather, John Crum Leach, lived prior to his arrival in Wisconsin about 1854. We believe he was a long-time resident of your area. We feel that the family probably lived in the Somers area from 1854 through the late 1880's. They then moved to Racine; but in the early 1890's, they moved to Havana, North Dakota, where their younger son lived.

We were able to locate John Crum Leach in the Somers area on the 1855 State census. The 1870 Federal census gave John Crum Leach's occupation as railroad foreman.

We believe the family including the three children, William H. Leach, Hattie May Leach and Edward John Leach who were born in the Somers area, were a religiously devout family; and we feel sure that they would have been active in a church there.

William H. Leach died in the Racine area in 1926, and Hattie May and Edward John Leach died in the 1930's in North Dakota.

John Crum Leach married Mary C. Greene, born Shelburne, Vermont, 1830. We believe that they were married about 1854, probably in Wisconsin; however, we have been unable to find a record of their marriage.

Mary Greene Leach's mother, Betsey Weed Greene, appeared on the 1850 census for Southport with two of Mary's brothers, Ira, born about 1825, and Melville, born about 1823. We have been unable to locate Mary C. Greene or John Crum Leach on the 1850 census. We have searched Wisconsin census records and the records of neighboring states as well as New York. Another brother, Dr. Pliny Phelps Greene, was apparently in Wisconsin, also. The only trace of him was one or two land transactions found in the Racine County Courthouse. We found an inscription for his wife, Celia, on the monument of Melville R. Greene in Mound Cemetery. Betsey Weed Greene's name is inscribed on the back of the Melville R. Greene monument.

We believe that Rufus Greene, Betsey Weed Greene's husband and Mary C. Greene Leach's father, died either en route to Wisconsin or early in their residency there. The last trace of him was in Shelburne, Vermont, about 1835. We found land records showing the sale of property to John Weed, his father-in-law, who lived in Hinesburg, Vermont.

We obtained the probate record for Betsey Weed Greene, and it listed two other children who may have stayed in Vermont. The handwriting was difficult to read, but the names appeared to be Charles E. Greene and Jane Kent. Rufus and Betsey Weed Greene were married in 1807 in Vermont.

John Crum Leach was born on April 8, 1827, in New York; and he died in Havana, North Dakota, on August 12, 1905. He is buried in Mound Cemetery, Racine, with his wife, Mary, and his daughter, Hattie.

Do you have any town records of early residents or are there churches in your area where I might write for information. Any information or help would be greatly appreciated.

I have enclosed a self-addressed, stamped envelope for your use. I will be glad to pay the costs of sending any materials to me.

Sincerely yours,

Betty Leach

Mrs. Elvira Belden
Racine Historical Society
712 S. Main Street (7th + Main)
Racine, WI 53402

Dear Mrs. Belden:

Last evening, I talked to Lois Stein about my genealogy problems. We have been searching for the birth place and parent's names of John Crum Leach, my husband's great grandfather for well over 2 years.

I am enclosing a copy of the query that I sending for the Society's Newsletter to give you a little background on who he was and where he lived in Wisconsin.

Lois suggested that I ask you to check the Index of County History and Grass Roots 1976 for our family names.

We believe John Crum Leach was related in someway to George Washington Leach and his son, Eugene Leach. For a time, they were employed at the same Company (Racine City Directory), and they attended the same church after John + Mary Leach moved to Racine.

Mary (Green(e) Leach's brothers in the Racine/Somers area were Perry Phelps Green(e) whose wife, Celia, is buried in the Melville Green(e) plat in Mound Cemetery; Melville Green(e), Ira Green(e) who married Ada Bacon in Racine. and Betsey Weed Green(e) wife of Rufus Green(e). They were Mary Leach's parents.

I somehow gained this - never wrote Dr. Green.
I am wondering if my line might be Benjamin too - Benjamin Barton?

Also, in the land Records I found a name which is also the name of a step-brother (older) of my BENJAMIN. ISAAC LEWIS was granted land in Plattsburg in 1809. ~~My~~ Isaac was born in 1766. Anything you could find on him would be greatly appreciated (He was also from Mass.)

I can't think of anything else that could be checked. BENJAMIN GREEN (he would have been 16-18 years old) is listed as owning land in Peru in 1796 (is this possible?) And again in the 1800 Federal Census in Peru.

Addie, keep out of the cold back there!
Happy New Year!

Dear Addie,

Very much enjoyed chatting with you last week! Enclosed find check for the Allen book plus a little extra for your time.

I've been thinking hard about my problem, which essentially boils down to confirming that my BENJAMIN GREEN ancestor "came through" Clinton Co. between 1796–1814. Your clue about the Quakers at the Union being from Danbury, Conn. helps. As I mentioned, I've checked out the big History of Clinton & Franklin Cos.

I would ask you to run a check on your Cemetary Records for the men listed on the next page — for dates of birth and death — as I didn't get a chance to copy them all down when I was there. Then I could check those out with Danbury — also perhaps how to purchase your Quaker History (my Benjamin was from MASS — so these must have been cousins)

Governor Roosevelt Finishes Ohio Campaigning and Speaks to Big Audiences at Wheeling.

CANTON, O., Oct. 18.—In spite of his [illegible] Governor Roosevelt made a speech at Akron this morning. The train left Cleveland at three and reached Akron at four and was placed on a siding. Before six the crowd began to gather and at seven a band came along. The governor's car was given a serenade. When the governor appeared upon the platform of the car he was given a rousing ovation. He was introduced, but so many trains were passing he could not begin for a few minutes, and was frequently interrupted by whistling locomotives. He appealed to the voters of Akron on the grounds of prosperity and patriotism. The train reached Canton at eight. The governor was welcomed by the organized Republicans of the city and escorted to the Tabernacle, where he delivered a speech.

WHEELING, Oct. 18.—Roosevelt closed the campaign in Ohio at Navarre. He entered at noon upon his West Virginia itinerary making his first speech here to a large crowd at the fair grounds. On the platform were five hundred vice presidents and a hundred men who voted for Fremont. In the parade there was a regiment of Rough Riders.

CONDENSED TELEGRAMS.

HAVANA, Oct. 18.—Yellow fever is increasing. It is said there is not one block in the city but what has contributed from one to seventeen cases.

WASHINGTON.—Former Secretary of State John Sherman, who was seriously ill, is slightly better today. Although his condition is considered critical, his death is not regarded as immediate.

BERLIN.—A special edition of the Reichsanzeiger announces the emperor has acceded to the request of Prince Hohenlohe that he be relieved from the post of chancellor. Count Von Buelow, it is announced, has been appointed chancellor.

The visiting "hikers" will arrive over the C. & N. W. railway on the early evening train and will be met at the junction by a special committee who will escort them to Monument square, where the parade will be formed. All members of the local marching clubs are requested to assemble at the Republican headquarters as soon as it is possible for them to do so after supper, not later than 7 o'clock.

EVERYTHING REPUBLICAN.

Interesting Letter Received by a Raci e Citizen from Republican Headquarters.

A letter has been received in this city from the Republican National headquarters at Chicago which states that a wonderful change has been wrought in the political situation during the past three weeks and that if it continues in the same proportion until election day the probabilities are that Bryan will not carry over two northern states. Also that the campaign is progressing more satisfactory than was expected by the most sanguine Republicans; that the state of New York is safely Republican by a very large majority and that outside of the city of New York it seems to be unanimous for the Republican ticket. The letters of Ex-president Harrison and Cleveland, and speeches of Mr. Eckels are doing a wonderful amount of good.

OBITUARY.

Greene.

Melville R. Greene, an old and honored citizen of Racine, died at his home No. 1229 North Main street, at 4 o'clock this morning. Mr. Greene had been ailing for some months, but was able to be up and about. During the night he was taken sick with pains about the heart. His wife attended to his wants, but he grew rapidly worse and Dr. Collins was called for, but before he arrived Mr. Green had passed away. Heart trouble was attributed as the cause. Deceased was born in Vermont in 1820 and settled in Kenosha county in 1845. For the past twenty years he has been a resident of Racine, and was an honest and upright Christian gentleman. A wife, four sons and one daughter survives him. Time of funeral will be announced.

Novak.

Anthony Novak, aged 79 years, died at the County Asylum Tuesday of general debility. Deceased leaves a wife and children to mourn his death. The funeral will be held from the family residence in the town of Caledonia tomorrow afternoon at 2 o'clock. The interment will take place in the Caledonia cemetery.

ple to vote on it. This they claim is the manner in which public sentiment should be secured and not by petitions.

One of the questions asked the Journal is: "In case the city granted the franchise as asked for, would the Water company in case the city desired to buy the plant before the expiration of the life of the franchise, stipulate not to charge the city a cent for the franchise, for which they want for very little compensation?"

It is not believed that the Water company would agree to any such thing. Would the Water company not say: 'We ought to have a good price for this franchise; did we not pay you [illegible] for it, in addition to $125,000 in reduction of hydrant rental, by dropping the litigation against the city for alleged excessive use of water?'

Then again it is claimed that the franchise extended for thirty years would prove a gold mine for the Water company. The reduction of the hydrant rentals of fifteen and twenty per cent and dropping of the suits in question are nothing compared to what the city ought to receive for so valuable an extension.

If the Water company is so anxious to get this franchise why not let the people vote on it. It is not the people who pay the taxes for the fire hydrants and do not the people pay for the private consumption of water? [illegible] the case will [illegible] plain why the Water company should not be perfectly willing to have the question voted on.

Citizens who are large consumers of water favor letting the whole matter go over about ten years and then meet the Water company and talk business to them.

THE PALE SAPPHIRE.

For many years fashion has highly esteemed the beautiful blue sapphire of ultramarine hue among the precious stones. But now it seems there is a vogue for paler sapphires, those which have a steely glint being preferred to the glorious depth of color seen in the darker stones. The pale sapphire is mounted in scarf pins, it is cut with intaglio coat of arms, as a signet ring for the men of the family. Pale sapphires, three in a row, are mounted on a slender gold bar for a lace pin.

HOPE OF ASSASSINS.

Chicago Inter-Ocean: In July the amnesty proclamation to the Filipino insurgents was distributed throughout the Philippine islands. The officer in command at Calibo, Panay, knew that the local insurgent leader was hiding in the neighborhood, and took steps to acquaint him with the offer of pardon. A few days later this rebel manifesto was posted in the adjacent town of Malinao:

William Ritter has opened the meat market next to Slot & Weidebach grocery and also the market at 1504 Center street.

1. 28. 1. 06

The Greenes of Warwick did claim this coat-of-arms through an *English* ancestor (see page 11) and the great-grandmother of Job's wife, Merebah Carr, was a Warwick Greene (see Chart VI on page 34). However, I think it is more likely the tradition among the Vermont generations arose through the following circumstances.

In 1773, a John Green purchased a farm in North Cambridge, New York. Descendants say this John Green came from Ireland and that the family were English Methodists. Their farm was located on Green Road off King Road. It remained in the family until at least 1962, when we visited there. Comparison of our genealogical data uncovered no connecting links between this Green family and our Greene family.

About 1800, a Richard Green who was born in the North of Ireland, settled in Quebec, Canada. Later, he removed to Troy, New York.[442] Whether this family claimed the Greene coat-of-arms I do not know, but this family also might be the source of the tradition. Since the families were living in the same vicinity as our own ancestors, the assumption is possible. *(See Appendix E)*

Family Bible of Job^4 and/or Henry^5

The "New York D.A.R. Bible Records," Vol. 17, page 56-58, includes the record from a bible possessed by Job and Merebah Carr Greene - as their marriage is the first record given - and/or Henry^5 as it also records his family line. Some names are spelled in a manner different from the offical record which may have been due to difficulty in reading the original document at the time the record was copied. The information was copied by Myrte Rice Haynes of the Irondoquoit Chapter D.A.R., Rochester, New York, as follows:

Rufus Greene son of ? m. Betsy Weed daughter of John Weed and Dorothy "Dally" Phelps Weed of Hinesburg, VT.

Suspect our Rufus was born between 1780 - 1790 (census)
was grandson of
b. East Greenwich, Rhode Island 02 June 1712
- Rufus + Martha Russell, b. Dartmouth, MA 28 June 1716
m. 13 Dec 1734.

Was possibly son of:
b. 13 March 1749
William - moved to NY (1770-1800)

Rufus Jr b. 17 March 1747 - moved to NY (1770-1800)
with wife Margaret Bankart + daughter, Nancy

Was not son of Jonathan b. 16 April 1760, Wife Catharine (?); moved to Hinesburg, VT, (1770-1800); was a neighbor of John Weed.

Was Our Rufus b. NY?
Perhaps was born + lived in NY before 1820 when he shows up in the 1820 + 1830, VT census. He then shows up on the 1840 Hopkinton, St Lawrence Co., NY, census. He disappears after 1843 when he + Betsy, his wife, sold property to son, Melville, in Hopkinton.

definitely our Rufus: 1820 + 1830 Rufus in Shelburne, Chittenden Co., VT
1820 shows Caledonia Co

① Per Goster Genealogy
Wm b 13 Mar 1747; Rufus Jr. b. 17 March 1747; Jonathan b. 16 April 1760 were brothers. Sons of a Rufus Greene

② Will of Rufus Greene dated 1784 lists 9 sons including Rufus Jr., Wm, + Jonathan. (Will also mentions grandson, Rufus, son of Caleb Greene

Rufus Greene (Continued)

③ Above are shown in Vital Records of R.I. as sons of Rufus + Martha

Questions

① Did the Rufus Greene, Jr., who moved to N.Y. after 1770 with wife Margaret + daughter, Nancy, have a son, Rufus, born between 1780-1790 who could be our Rufus?

② Did William who also moved to N.Y. after 1770 have a son Rufus who could be our Rufus.

③ Did Jonathan who moved to VT have a son Rufus? Not likely

④ Caleb, of New Bedford, MA, was a brother of the above Greenes. We know from the Gorton Genealogy + from his father Rufus' will that he had a son, Rufus — whom we know was not our Rufus. (This Rufus m. Eliza Sherwood)

Green / Greene Possibilities

Caleb Greene Will (1869)

Watertown will of Caleb Greene. Heirs: wife, Susannah, Children: Abraham, Caroline Marsh, Ira Greene, Charles Greene, Esther Cagwin, Saphrona Babcock, Margaret Longworthy.

* Caleb's daughter Margaret makes him a possible son of Rufus, Jr., + Margaret Bockout.

Above looks like Rufus b. 1747 / Margaret Bockout had these possibilities by RG
1) Nancy Greene (unmarried) oldest daughter of Rufus' Sr. 1772
2) Our Rufus b. 1780-1790 ? son of Rufus Sr + Margaret?
3) Caleb b. 1782 ? son of Rufus Sr + Margaret?
    - Ira, son of Caleb, b. 1806.
    - John W., son of Caleb, b. 1805
    - Charles E., son of Caleb, b 1810
    - Margaret, daughter of Caleb, b. 1819
4) William b. 1791, ? son of Rufus, Sr., + Margaret?
    - William, son of William, b. 1816
